* On September 19, 2012 Governor Brown signed into law SB-1186 which adds a state fee of \$1 on any applicant for a local business license or similar instrument or permit, or renewal thereof. The purpose is to increase disability access and compliance with construction-related accessibility requirements and to develop educational resources for businesses in order to facilitate compliance with federal and state disability laws, as specified.
 *On October 11, 2017 Governor Brown signed into law AB1379 to extend the state fee (SB1186, Chapter 383, Statutes of 2012) indefinitely. On and after January 1, 2018 and until December 31, 2023, increasing the amount from \$1 to \$4; reverts the fee back to \$1 on and after January 1, 2024.
 **Under federal and state law, compliance with disability access laws is a serious and significant responsibility that applies to all California building owners and tenants with buildings open to the public.
