AGENDA

Actions taken by Advisory Bodies are not official actions of the City Council, but must be considered and potentially ratified at a regular City Council meeting.

All writings that are public records and relate to an agenda item, which are distributed to a majority of the legislative body less than 72 hours prior to the meeting is noticed, will be made available via email by request to the Committee Secretary. In compliance with the Americans with Disabilities Act, a person requiring an accommodation, auxiliary aid, or service to participate in this meeting should contact the Committee Secretary as far in advance as possible, but no later than 72 hours prior to the scheduled event. The best effort to fulfill the request will be made.

Pursuant to California Assembly Bill 361, the City is authorized to hold public meetings via teleconferencing and to make public meetings accessible electronically to all members of the public seeking to participate in the meeting during a declared state of emergency. As such, Committee Members will be participating in the meeting via teleconference, and the City will provide various options for the public to participate in the conduct of the meeting remotely until the state of emergency is lifted by the Governor.
