INFORMATION FOR MEETINGS DURING AN OFFICIALLY DECLARED STATE OF EMERGENCY UNDER ASSEMBLY BILL 361 (effective until the state of emergency is lifted by the Governor):

Pursuant to California Assembly Bill 361, a local legislative body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body during the current health emergency. As such, the Planning Commissioners will be participating in the Planning Commission meeting via teleconference, and the Commission will provide various options for the public to participate in the conduct of the meeting remotely.

The Commission will further adhere to the means otherwise prescribed by the Brown Act, which allows members of the public the right to observe and offer public comment during the public meeting, consistent with the public's rights of access and public comment otherwise provided for by the Brown Act, as applicable (including, but not limited to, the requirement that such rights of access and public comment be made available in a manner consistent with the Americans with Disabilities Act).

In addition to the mandatory conditions set forth above, the Commission will use sound discretion and make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

The Commission offers many ways for you to watch and participate in Planning Commission matters without attending a meeting in-person. Planning Commission meetings are streamed live on Emeryville TV at www.emeryville.org/104/Planning-Commission. Additionally, public comment for Commission agenda items can be submitted online via our online speaker card at www.emeryville.org/104/Planning-Commission. Written comments can also be submitted by email to plancomm@emeryville.org, or to the Community Development Director, Charles S. Bryant, at cbryant@emeryville.org. If you would like to support, oppose, or otherwise comment on an upcoming agenda item, please send in your comments prior to the meeting as there will be no option to attend in person.

All matters listed under CONSENT CALENDAR are considered to be routine and will all be enacted by one motion in the form listed below. There will be no separate discussion of these items unless good cause is shown prior to the time the Commission votes on the motion to adopt. Persons who wish to speak on matters set for PUBLIC HEARINGS will be heard when the Presiding Officer calls for comments from those persons who are in support of or in opposition thereto. After persons have spoken, the Hearing is closed and brought back to Commission level for discussion and action. There is no further comment permitted from the audience unless requested by the Planning Commission.

The speaker's time is limited to 3 minutes and can only be extended upon approval of the Presiding Officer. If you are submitting your comments using the online comment card, please be aware that they will be read aloud into the record and will still be limited to the 3-minute time limit.

In compliance with the Americans with Disabilities Act, a person requiring an accommodation, auxiliary aid, or service to participate in this meeting should contact the City Clerk's Office or ADA Coordinator at 510-596-4300 as far in advance as possible, but no later than 72 hours prior to the scheduled event.
