

**City of Emeryville
Parking Permit Program Guidelines**

1. **Location:** Except as provided below, Parking Permit Program areas may be established on predominantly residential streets. Under this program, preferential parking would be established on certain street areas. To establish a parking permit program, residents must opt in, subject to the following restrictions.
 - a. Street must be predominantly residential, as determined by the City Manager or their designee.
 - b. Parking occupancy in the general area must be at least 75% during peak parking hours.
 - c. A petition form, provided by the City, must be signed by 66% or more of eligible households and businesses in live-work buildings, and submitted to the office of the City Manager. Odd- and even-numbered sides of each block must file separate petitions.
 - d. The City Manager or their designee will conduct a survey to determine if the street section meets the program guidelines. The petition and survey are subject to the review of the City Engineer, City Manager, Traffic Committee, and approval by City Council.
 - e. After approval of the petition by City Council, preferential parking will start within three months.
 - f. With the exception of live-work buildings, street sections fronting non-residential uses will not be subject to preferential parking, unless such street sections are designated for permit parking by the City Council.
 - g. If the number of requests for permits drops below 50% of eligible units, the City will consider terminating the program on the participating street.
 - h. Notwithstanding the above provisions, the City Council may, on its own initiative, establish a permit parking area on any street. Parking spaces in permit areas on nonresidential streets shall be available only to qualified permit holders from other permit parking areas on residential streets.
2. **Qualified Persons:** Residents and businesses in live-work buildings may purchase permits that allow unrestricted parking. The following documents are required:
 - a. Residents
